OUTSIDE VISITATION

Visitors please park in the parking lot to the north of the Manor. ([see second page map for directions](#)) You will walk up the sidewalk that will lead you out behind the Manor to the pavilion.

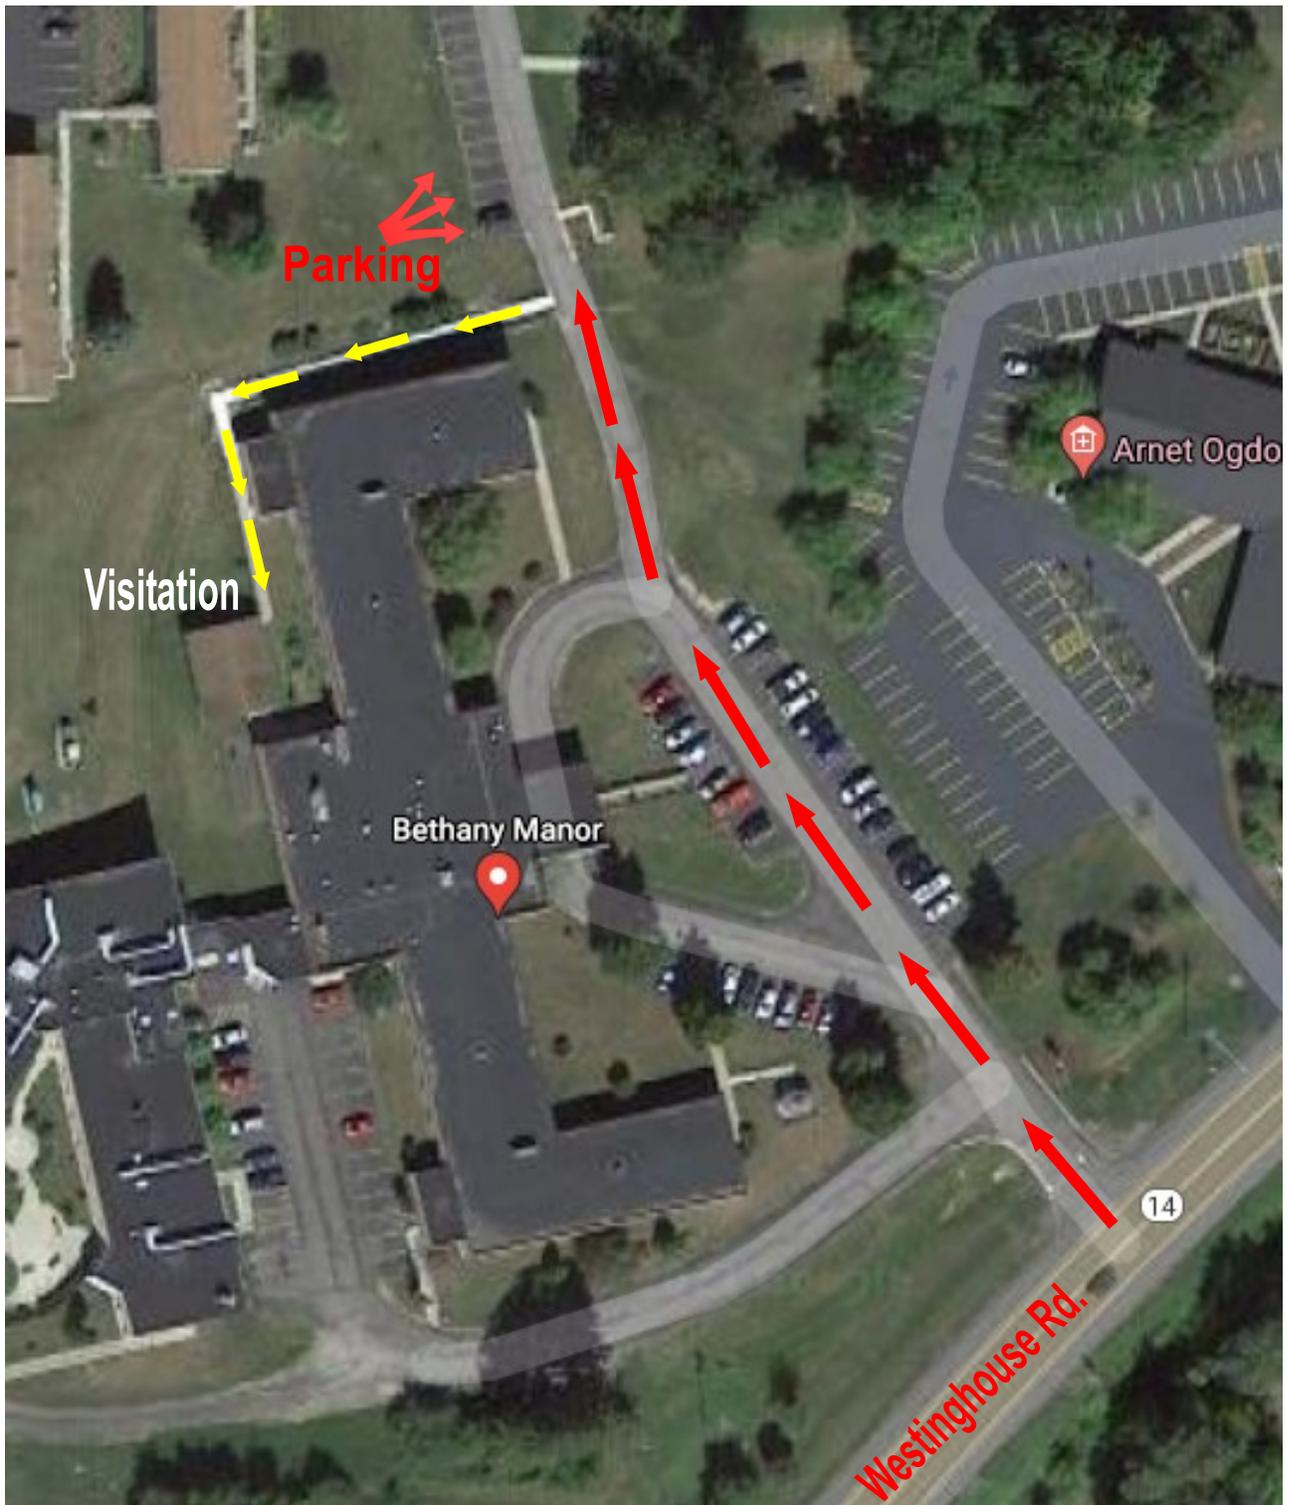

Staff will greet and guide you through the screening process which will include temperature check, questions of recent illness/COVID symptoms, etc. If you are ill or have symptoms, you will be ineligible for in-person visits, however, we can assist you in alternative visitation techniques using electronic devices.

1. COVID testing is **not** required, however, if you request to be tested we will provide and conduct *free* Rapid Antigen testing on the day of your visit.
2. You are required to wear a face mask that covers your mouth and nose completely. Please keep your face masks over your mouth and nose throughout the entire visit, and while you are on the premises of the Bethany Village campus.
3. Hand hygiene with alcohol based hand sanitizer is required before your visit and after your visit
4. Per the DOH, social distancing is required; you must maintain a 6 ft. distance.
5. Residents **who have been fully vaccinated**, can choose to have close contact with their visitor and must perform hand hygiene before and after contact.
6. We will only be able to accommodate **ONE** visitor per resident at this time due to space limitations.
7. Visits are for 30 minutes but you may visit more than one time per week.
8. If your loved one is fully vaccinated you may take them for a walk during your visit on Bethany Village grounds.
9. Please do not bring any additional items with you, adhere to the package drop off days
10. No food or beverages will be allowed during visits.
11. Visitors must be 16 years of age or over.
12. Unfortunately, no pets are allowed at this time.
13. Restrooms will not be open to the public.

PLEASE SHARE WITH FAMILY AND FRIENDS WHO MIGHT BE VISITING

THANK YOU AND SEE YOU SOON!

If you are unable to comply with the protocols above, you will be prohibited from visiting. Thank you in advance for adhering to the guidelines.

Visitors park in the parking lot below the Manor. Turn into the Manor from Westinghouse Road; drive through the main parking lot to the lower parking lot. You will then walk up the sidewalk that takes you out behind the Manor to the pavilion (see yellow arrows). Staff will greet you and guide you through our screening process which will include temperature check, questions of recent illness/COVID symptoms, etc. This picture makes the campus appear much larger than it really is.
