The Bethany Villager

We didn't just talk the talk...

We walked the walk!

And raised $5,965!

Bethany Village would like to express our deep gratitude to Corelle Brands for their recent donation of 500 place settings that will be used annually for our resident, family, and friends Thanksgiving dinner. Our residents sincerely appreciate this donation and the fact they are made locally on Steuben Street in Corning, New York. For this, we are extremely thankful!
The Manor Activities staff have the ability to make a direct impact on the quality of life our residents receive and the creativity to improvise programs that will champion our residents quality of life through group and individual tailored activities. Engaging with our residents daily helps to create meaning to their day, giving them joy and balance of life.

The activity calendar has a variety of events and programs that challenges important qualities in our lives. We make sure every resident has an opportunity to be physically active, as well as intellectually stimulated and encouraged to explore their creativity. We offer social gatherings and spiritual meetings to bring balance to the emotional side of life in their daily care. We care about what is important to each person.

Join us in the Activity Room for:
- Church every Sunday
- Catholic services the 2nd & 4th Wed. /month
- Breakfast Club every other Tuesday
- Bingo 3 times a week
- Bible Study every Thursday
- Baking/Cooking every week
- Along with in room activities offered daily

Get vaccinated
Influenza or “flu” can cause serious illness. Vaccination is the best way to protect yourself and your family.

Cover your cough or sneeze
Cover your mouth and nose with your sleeve or a tissue when you cough or sneeze. Throw used tissues in the waste basket and wash your hands.

Wash your hands
Wash your hands often with soap and water or use an alcohol-based hand cleaner.

Avoid touching your eyes, nose, and mouth
If you touch surfaces with the flu virus, you can get the flu by touching your eyes, nose, or mouth.

Stay home if you are sick
Flu viruses go wherever you go when you are infected. Stay at home and check with your healthcare provider when needed.

November is the month to remind us to be thankful for the many positive things happening in our life.
