1. **Per DOH: During each visitation time slot, visitors may not exceed 10% of the resident census. Please note: schedules may be altered at any given time.**
2. We know you are eager to see your loved one. We will do our best to accommodate everyone's scheduled visit. At this time you may only visit one time per week as scheduling permits.
3. **Only two (2) designated visitors** will be allowed to visit **but only 1 at time**. This will be decided by the responsible party and resident. Visitors must be 18 years and older.
4. **Visitors MUST come to the front main doors - ring door bell - staff will greet you.**
5. All visitors will be signed in and out (date and time) and screened prior to all visits in the main lobby. (temperature, oxygen saturation, several questions and must wear a name badge)
6. Visitors **MUST** wear a personal face mask at all times (inside and outside of facility). The face mask must cover mouth and nose and be worn for the entire visit. Face mask may NOT be pulled down at any time. Please bring your own surgical or cloth "MASK".
7. Visitation will only be limited to outdoor areas at this time under the pavilion (weather permitting). Visitors may not enter any other offices/units etc. of the facility except designated areas.
8. Visitors **MUST** refrain from physical contact with their loved ones, other residents and staff in the facility by practicing social distancing of 6 feet apart from EVERYONE at all times. This includes handshakes and hugging.
9. ANY visitor who is symptomatic will **NOT** be allowed to enter the facility, even in end-of-life situations.
10. Handwashing or hand hygiene **REQUIRED** at the start and end of your visits.
11. Please **DO NOT** bring in items for your loved one with you on visits. Adhere to package drop off dates of Tuesdays and Sundays.
12. NO FOOD OR DRINK DURING VISITS!
13. Restrooms will not be open to the public.
14. Sorry, no pets at this time.

While these guidelines are intended to restart limited visitation, the Manor at Bethany Village reserves the right to restrict visitation at any point. Failure to follow these guidelines may result in restriction or revocation of visitation. **THANK YOU!**
